

The image shows a technical architectural drawing of a square plaza. The plaza is represented by a light pink rectangular area with a black border. The dimensions are given as 3.70m by 5.00m. To the left of the plaza, there is a vertical black line with five white circles, possibly representing a railing or a series of columns. To the right, there is a vertical black line with two white circles, and a horizontal grey line extending from the right edge of the plaza. The text 'DIMENSIÓN PLAZA' and '3,70m x 5,00m' is centered within the pink area.
